need to and ignored - witnessed abuse of crippled elderly & pregnant woman, among others who were denied basic services - on multiple occasions

Background: I was a city commisions Minutes Recorder and Transcriber, more info can be found on my personal website www.spencerjbarrett.com, I was falsely charged by the State and have more than enough Documentary evidence to support my case but I am being denied basic services / Rights / held captive and treated as 'Guilty until proven innocent' Not the other way around

Based on Oregons History, Revised Statutes, Racism / Sexism and implicit Bias currently allowed in Our "Justice" System and what I have witnessed w/ my own person.
